

Morag Kirk was born in a fishing village in the West Highlands of Scotland. She came to Tasmania in 1971 and has been writing for ten years. Her works include poems, plays and short stories. She is currently working on her first novel.

'[Kirk] is imaginatively completely feral...poised between a crocheted horror that edges on the gothic and a playfulness that reminds me of Elizabeth Jolley at her most wicked.'

Morag Fraser  
*Eureka Street*
